## 01 HOW TO PURCHASE

Please email [kellypetersart@gmail.com](mailto:kellypetersart@gmail.com) with the title of the piece you'd like to purchase and your shipping location. Colorado and surrounding states will result in a drop-off from the artist herself to your location. Shipping and sales tax are excluded from the price; both will be determined via the final destination. Local pickup is also available.

## 02 THINGS TO NOTE

Colors will vary slightly from screen to screen. For more photos or videos of the paintings, please send an email. Payment is available via check or credit card through a QuickBooks invoice. Please note, Kelly Peters Art LLC retains the copyright to all images. These paintings may be reproduced as prints in the future or are currently available for purchase as prints. If a collector desires a completely custom and one-off painting, please request a commission from the artist. All paintings are ready to hang with wire and D-rings installed. Pieces are sold on a first-come, first-serve basis. If you have a specific budget and idea, a commission may be a good fit! Feel free to email Kelly with any questions.
